

ShopEase Return & Refund Policy

Return Window

Customers may request a return within 14 days of delivery for eligible products.

Eligibility

Products should be unused, undamaged, and returned with original packaging and included accessories where applicable.

Non-Returnable Items

Personalized items, opened software licenses, and products marked final sale are generally not eligible for return.

Refunds

After the returned product is inspected and approved, the refund is normally processed within 5–7 business days. The time for the amount to appear can depend on the payment provider.

How to Request a Return

Contact customer support with the Order ID, product name, reason for return, and relevant photos if requested.
